

## The Promises of Fame

We are chic, we are beautiful

We are the new sensation

We're unique, and unusual

A great new generation

But hey! We're not famous!

It's not fair! We're not famous!

Where's the gold, where's the glory?

Where's the rags to riches story?

Where are all the promises of fame?

We are young, we're invincible,

We are a revelation,

Life is fun, life is wonderful,

Life's a celebration

But hey! We're not famous!

It's not fair! We're not famous!

Where's the gold, where's the glory?

Where's the rags to riches story?

Where are all the promises of fame?
